Digital Services & Web Development

SERVICE PROPOSAL

Prepared for:
EduBest Boutique Enterprises

Date: June 2026

Overview

This proposal outlines the full scope of digital services provided by **DE GRAM** for **EduBest Boutique Enterprises**, Epe, Lagos. Services cover three areas: website development & delivery, Instagram content creation & management, and WhatsApp Business catalog setup.

01 — WEBSITE DEVELOPMENT & DELIVERY

A fully custom, responsive website built for EduBest Boutique. Designed to drive walk-in visits, WhatsApp enquiries, and online visibility.

Deliverables

- Custom multi-section website (Hero, Shop by Category, Featured Pieces, About, Testimonials, Contact)
- Fully mobile-responsive design
- Image-ready cards (categories + featured products) — client provides photos
- WhatsApp enquiry integration — direct chat link on contact form and CTA buttons
- Instagram profile link integration on featured products
- Basic on-page SEO — meta title, meta description, structured data (schema.org LocalBusiness)
- Contact form with name, phone, category selection, and message
- Store info — address, phone number, opening hours
- Scroll animations and hover interactions
- 1 round of revisions included
- Domain name &

Not Included

- Google Business Profile setup (available as add-on)

02 — INSTAGRAM CONTENT CREATION & MANAGEMENT

Full content creation and posting management for EduBest Boutique's Instagram page for one calendar month, following the approved Month 1 Content Plan.

Deliverables

- 8 Reels — shot, edited, and posted (2 per week)
- 8 Carousel posts — shot, designed, captioned, and posted (2 per week)
- 4 Stories daily — 120+ stories over the month
- Caption writing for every feed post
- Hashtag research and tagging strategy
- Monthly content calendar
- End-of-month performance report (reach, profile visits, post engagement)

Content Schedule (Month 1 Plan)

- Week 1 — Product Awareness: introducing store categories
- Week 2 — Complete Fits: styling and outfit combinations
- Week 3 — Trust Building: customer reviews, order packaging, store activity
- Week 4 — Sales Push: low stock alerts, weekend specials, urgency content

Client Responsibilities

- Provide store access for shoot days
- Manage all incoming DMs and customer replies
- Approve content calendar before posting begins each week

03 — WHATSAPP BUSINESS CATALOG SETUP

One-time setup of the EduBest Boutique WhatsApp Business catalog, making it easy for customers to browse products directly in WhatsApp.

Deliverables

- WhatsApp Business profile configuration (business name, description, address, hours)
- Product catalog setup — all 6 categories (Clothes, Shoes, Bags, Watches, Caps, Perfumes)
- Product listings with photos, names, and descriptions
- Quick reply setup for common enquiries
- Catalog link ready to share on website and Instagram bio

Client Responsibilities

- Provide product photos for catalog listings
- Provide pricing for each product listed
- Grant temporary access to WhatsApp Business account for setup
